

MEMORANDUM FOR:

Norman Bailey, Staff Assistant
Approved For Release 2007/03/30 : CIA-RDP83B00140R000200120009-2
National Security Council

Harry Rowen asked me to send a copy of our program for producing "anticipatory" papers. The present draft is attached. We would welcome any comments or suggestions you might have.

Richard Lehman
Acting
Chairman, NIC

community.

- As a paper prepared by a consultant or contractor or even prepared entirely independently by an outside expert.
- As an interagency estimate.

Because of the possible inavailability of talent to work on some topics right away, some of these topics might have to be put on "hold" for a while.

Each of the NIOs should review the topics in his area and indicate the action proposed or status for each item. This record will be periodically updated.
